

Curriculum Vitae

Sara Gholamipour

Lab assistant

E-mail: Saragholamipoor@inio.ac.ir

Academic Background

- Master of Science, Marine Chemistry Khoramshahr Marine Science & Technologies University (KMSU)
- Bachelor of Science, Pure Chemistry Persian Gulf University (Bushehr)

Positions & Work Experiences & Memberships

- Lian management studies Ltd., Chemistry Expert (2005-Presently)
- General Inspector in Lian Depth Lian Inspection Co.(2008-2011)
- Researcher of marine science department in Iranian National for Oceanography and Atmospheric Science(2012-Presently)

Research Activities

Research Interest

- Laboratory techniques and instruments
- Marine Chemistry Laboratory techniques
- Quality Control of Polymers(DMTA, Strain, Stress)
- UV-Vis spectrophotometer (double and single beam)
- Nutrient analysis
- HPLC
- ColdVapor
- Marine pollution study
- Computer skills(Software): Microsoft Office, GIS, SPSS

Projects

- Preparation of edible films based on alginate extracted from *Sargassum angustifolium* algae from Persian Gulf (Bushehr province) Project Manager in Persian Gulf Science and Technology Park :
- Persian Gulf & Gulf of Oman Oceanographic Study (PG-GOOS) Project Contributor in Iranian National Institute for Oceanography and Atmospheric Science (INIOAS)
- Oceanographic monitoring of Northern Pars Special Economic Energy Zone coastal water (Persian Gulf). Project Contributor in Iranian National Institute for Oceanography and Atmospheric Science (INIOAS)
- Investigation of mangrove macrobenthic communities in Kangan & Dayyer (Persian Gulf). Project Contributor in Iranian National Institute for Oceanography and Atmospheric Science (INIOAS)
- Community composition of Zoo & Phytoplankton along the marine, estuarine & riverine portions of Bardestan creek (Persian Gulf). Project Contributor in Iranian National Institute for Oceanography and Atmospheric Science (INIOAS)

Workshops

- Title: Creativity Workshop, 2006 (Management and Planning Organization of Iran(MPOI))
- Workshop on The principles of Sampling, 2008 (Institute of Standard and Industrial Research of Iran (ISIRI))
- Workshop on The principles of Standardization, 2008 (Institute of Standard and Industrial Research of Iran (ISIRI))
- Workshop on The principles of inspection, 2008 (Institute of Standard and Industrial Research of Iran (ISIRI))
- Workshop on Cold vapor Technique, 2010 (Khoramshahr Marine Science & Technologies University (KMSU))
- Workshop on HPLC, (Khoramshahr Marine Science & Technologies University (KMSU))
- Workshop on Natural Monitoring Using Remote Sensing, 2011 (Persian Gulf University (Bushehr))
- effects of pollution on aquatic organisms genome(molecular aspects), 2011 (Persian Gulf University)

(Bushehr)

- Integrated seawater agriculture, 2012 (Persian Gulf University (Bushehr))
- Proteomics, 2012 (Persian Gulf University (Bushehr))
- Nanotechnology, 2012 (Persian Gulf University (Bushehr))
- HSE, 2013 (Agricultural and Natural Resources Engineering Organization (Bushehr))
- GIS, 2013 (Agricultural and Natural Resources Engineering Organization (Bushehr))
- Google Earth, 2013 (Agricultural and Natural Resources Engineering Organization (Bushehr))
